

Name: _____

Observing the Moon

In the boxes below, write the names of the days you observe the moon. Each night for a week, observe the moon. Draw what the moon looks like on the day that you observe it.

Day:	Day:	Day:
Day:	Day:	Day:
Day:	Draw the shapes of the Moon:	
	Beginning	Ending

Did the shape of the moon change each night? If you saw a change in the Moon, explain on the lines below how it changed. _____
